S.No.	Volume-1 Issue-2, October 2024 Published by: BCIIT (Banarsidas Chandiwal Institute of Information Technology)		Page No.
1	Authors:	Mr. Alok Mishra	1-10
	Paper Title:	Exploring Reinforcement Learning: Algorithms, Applications, and Future Directions	
		Abstract Full Text	
2	Authors:	Mr. Akshit Thakur	11-17
	Paper Title:	IoT and Its Contribution in Sustainable Self- Organizing Supply Chain System	
		Abstract Full Text	
3	Authors:	Ms. Preeti Mishra	18-24
	Paper Title:	Artificial Intelligence in Everyday Life	
		Abstract Full Text	
4	Authors:	Ms. M. Gomathy	25-36
	Paper Title:	Detecting Homoglyph Attacks with Neural Networks: A Robust Approach to Cybersecurity	
		Abstract Full Text	
5	Authors:	Ms. Mansi Vats	37-44
	Paper Title:	Exploring the Convergence of Quantum Computing and Machine Learning: A Promising Frontier for Innovative Problem-Solving	
		Abstract Full Text	
6	Authors:	Dr. Shobha Chawla	45-52
	Paper Title:	Potentiality of ML/DL for the security implementations in Industrial IoT Applications	
		Abstract Full Text	
	Authors:	Ms. Sanjna Gulia	53-59

7	PaperTitle:	AI as a Co-Author: The Role of Machine Learning in Collaborative Writing Abstract Full Text	
8	Authors :	Ms. Poonam Rani & Ms. Leena Bhatia	60-72
	PaperTitle:	Healthcare Management by Machine and Deep Learning Algorithms Abstract Full Text
