PLACEMENT CELL

The aim of the placement cell is to provide the students a platform for interaction with the corporate world and to improve the all-round personality of the students. These aims are achieved through lectures, workshops, seminars, information about carrier opportunities, mock tests, group discussions, interviews, pre-placement talks etc.

In an effort to bridge the gap between the industry and the academia, students of BCIIT undertake various live projects, internships, research work, workshops and seminars by eminent scholars, industry professionals and corporate visits.

Many elite professionals have visited our college for delivering seminars and lectures on various IT related topics.

These lectures enlighten the students with current research which is undergoing in the field of IT.

Besides me, the students of every year are also the members of the placement cell.

They interact and visit number of reputed industrial houses, multinationals and other establishments for placements. With the efforts of placement cell, more and more companies are visiting our college for campus selection. The prominent organizations like IVP, NCR. Grapecity, LeewayHertz, Opera Solution, Knoldus, To the New visited the college for placement and most of the students of previous batches have been placed in these companies.

BCIIT Innovation Cell conducted Feb 14,2024 interviews, shortlisting students for various roles to foster growth and progress. Under the supervision of Mr. Alok Mishra, Incharge of InnovatUp, and the former InnovatUp team, the selection process is complete, and the new innovation team is now ready to drive innovation forward.

"Voting Awareness Workshop and Demonstration Session, March 11, 2024"

On 11th March 2024 at 12:40 PM, INNOVATUP organized a workshop at the BCIIT auditorium to educate first-time voters. Led by the INNOVATUP team under the supervision and guidance of Mr. Alok Mishra, the workshop aimed to raise awareness about the importance of voting and provide participants with clear guidance on the voting process, empowering them to confidently cast their ballots.

Intercollege Ideathon 2024 on March 20

BCIIT Innovation Cell proudly supports participation in the Intercollege Ideathon organized by Maharaja Surajmal Institute, held on 20th March 2024. We are delighted to share that our students, Garv Aggarwal and Aaditya, both from the BCA IV semester, actively participated, made a strong impression, and received participation certificates. Their engagement exemplifies the spirit of innovation and involvement we value. Great job, and best wishes to both of you!

BCIIT congratulates our students for being selected for the Aspire Leaders Program! This accomplishment, under the guidance of Dr. Ravish Saggar and the supervision of Mr. Alok Mishra, President of IIC and Incharge of InnovatUp, is a source of great pride for our institution.

Certification from the Aspire Leaders Program will enhance your resume's credibility and keep you updated with the latest technologies.

Eligibility criteria for the program include:

- Age: 18-29 years
- Low-income background
- First-generation college student or recent graduate not currently enrolled in a graduate program
- Intermediate English proficiency

Best of luck to all our students!

Ideathon Report: Fostering Innovation among BCA & MCA Students

Date: 4 March 2024

Time :11 AM

Venue: Auditorium Banarsidas Chandiwala Institute of Information Technology (BCIIT)

Organized by: INNOVATUP (BCIIT Startup and Innovation Cell)

Supported by: Dr. Ravish Saggar, Director, BCIIT

Guidance by: Mr. Alok Mishra, Cell Incharge, BCIIT

Chief Guest: Mr. Shishir Dubey, CEO, Chromeinfo Technologies

Introduction:

BCIIT's INNOVATUP Startup and Innovation Cell successfully organized an Ideathon aimed at nurturing creativity and innovation among BCA and MCA students. The event received kind support from Dr. Ravish Saggar, Director of BCIIT, and was guided by Mr. Alok Mishra, Cell Incharge. Mr. Shishir Dubey, CEO of Chromeinfo Technologies, graced the occasion as the Chief Guest.

Aim and Objectives:

The Ideathon aimed to:

Stimulate innovative thinking among BCA and MCA students.

Provide a platform for students to ideate and present solutions to real-world problems.

Foster collaboration and teamwork among participants.

Recognize and reward the most promising ideas with the potential for practical implementation.

Event Highlights:

The Ideathon commenced with an inaugural address by Mr. Shishir Dubey, who emphasized the importance of innovation in driving societal progress and economic growth. Following the introduction, participants were divided into teams and given a set time frame to brainstorm, conceptualize, and develop innovative solutions to specified challenges.

Notable features of the event included:

Ideation Sessions: Participants engaged in intensive ideation sessions, exploring various problem statements and brainstorming potential solutions. Mentors provided guidance and feedback to assist teams in refining their ideas.

Pitch Presentations: Each team presented their ideas to the judging panel comprising Mr. Shishir Dubey, Dr. Ravish Saggar, and Mr. Alok Mishra. Presentations encompassed problem identification, proposed solutions, market feasibility, and potential impact.

Winner Announcement: After careful deliberation, the judging panel announced the winners of the Ideathon. Shivang Gulia emerged as the winner, while Aaditya Sharma and Garv Agarwal secured the runner-up position.
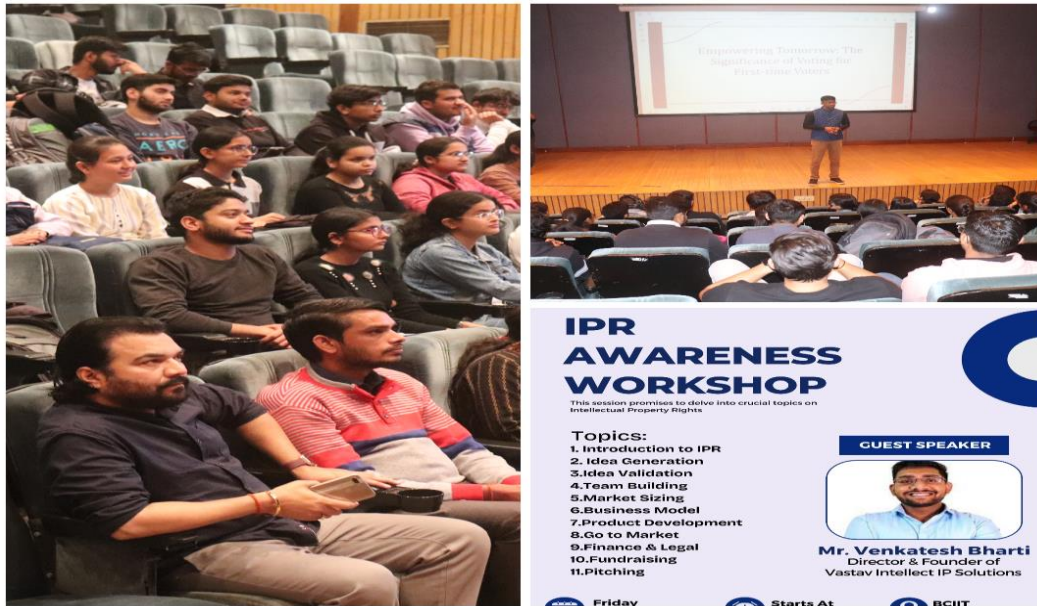

Conclusion:

The Ideathon concluded on a high note, with participants gaining valuable insights into the ideation process and showcasing their creativity and problem-solving skills. The event served as a testament to BCIIT's commitment to fostering innovation and entrepreneurship among its students.

Acknowledgments:

- Dr. Ravish Saggar, Director, BCIIT
- Mr. Alok Mishra, Cell Incharge, INNOVATUP
- Mr. Shishir Dubey, CEO, Chromeinfo Technologies
- Judging Panel Members
- Faculty and Staff of BCIIT
- Participating Students

The Ideathon organized by INNOVATUP proved to be a resounding success, inspiring a culture of innovation and entrepreneurship among BCA and MCA students at BCIIT.

IPR Awareness Workshop Report: Empowering BCA and MCA Students with Intellectual Property Knowledge

Date: March 15, 2024

Time: 1:00 PM

Venue: Banarsidas Chandiwala Institute of Information Technology (BCIIT)

Organized by: INNOVATUP (BCIIT Startup and Innovation Cell)

Under the Guidance of: Dr. Ravish Saggar, Director, BCIIT

Supervised by: Mr. Alok Mishra, Cell Incharge, BCIIT

Keynote Speaker:

The IPR Awareness Workshop, hosted by INNOVATUP, was privileged to have Mr. Venkatesh Bharti, Director & Founder of Vastav Intellect IP Solutions, as the esteemed keynote speaker. Mr. Bharti's profound expertise and extensive experience in intellectual property were evident from his impressive profile showcased on platforms like Topmate and LinkedIn.

Aim and Objectives:

The workshop aimed to:

Educate BCA and MCA students about the significance of Intellectual Property Rights (IPR) in innovation and entrepreneurship.

Increase awareness about the various forms of intellectual property, including patents, trademarks, copyrights, and trade secrets.

Provide insights into the process of protecting intellectual property and its role in fostering innovation-driven growth.

Inspire BCA and MCA students to leverage intellectual property for competitive advantage and business success.

Event Highlights:

The workshop commenced with a warm welcome extended to Mr. Venkatesh Bharti, followed by his insightful keynote address on intellectual property. Mr. Bharti's presentation delved into the intricacies of IPR, shedding light on its importance in today's knowledge-driven economy and its implications for businesses and individuals alike.

Key highlights of the event included:

Understanding Intellectual Property: Mr. Bharti elucidated the concept of intellectual property, elucidating its various forms and legal frameworks governing their protection. He emphasized the role of IPR in incentivizing innovation and creativity.

IPR in Practice: Practical examples and case studies were presented to illustrate the real-world applications of intellectual property rights. BCA and MCA students gained valuable insights into the process of obtaining patents, trademarks, and copyrights.

IPR Challenges and Opportunities: Mr. Bharti discussed the challenges and opportunities associated with intellectual property protection in a rapidly evolving technological landscape. He highlighted the importance of staying updated with the latest developments in IPR laws and regulations.

Interactive Q&A Session: The workshop concluded with an interactive Q&A session, where BCA and MCA students had the opportunity to seek clarifications and engage in meaningful discussions with Mr. Bharti.

Conclusion:

The IPR Awareness Workshop proved to be a valuable learning experience for BCA and MCA students, equipping them with essential knowledge and insights into the world of intellectual property. The event exemplified BCIIT's commitment to fostering innovation and entrepreneurship among its students, under the visionary guidance of Dr. Ravish Saggar and the dedicated supervision of Mr. Alok Mishra.

Acknowledgments:

Mr. Venkatesh Bharti, Director & Founder, Vastav Intellect IP Solutions

Dr. Ravish Saggar, Director, BCIIT

Mr. Alok Mishra, Cell Incharge, INNOVATUP

Faculty and Staff of BCIIT

Participating BCA and MCA Students

The IPR Awareness Workshop served as a catalyst for empowering BCA and MCA students with the knowledge and understanding of intellectual property, paving the way for future innovation and success.
